7. Translation

- ICANN needs to support major languages(spoken by 4% of world population or more)

Arabic, Chinese, French, Russian, Spanish

- Other major languages spoken by 1% may be coordinated by ICANN

Germany, Indonesian, Italian, Japanese, Korean, Portugese, Suwahili, Tamil, Thai,...

8. Remarks

- Hard to attract active participation unlike WGs A, B, and C.
- Need to secure funding for implementation
- Need to have good volunteer effort
- Need to coordinate with At-large membership activity
- Need to share information, knowledge, and knowhow among ICANN members
